

Wareham Tiger Parent Equipment Waiver

The Wareham Tigers Board of Directors realizes that some participants within the Wareham Tigers Pop Warner organization may wear equipment other than what is provided by the association. While the use of non issued equipment is permissible, the organization is not able to properly monitor the wear and tear of said equipment thus making it difficult to determine whether or not privately owned pieces are safe for use.

By allowing my child to wear equipment other than equipment provided by the Wareham Tigers Pop Warner, Inc. I, _____, parent/guardian of _____, assume sole responsibility for any injuries that may result. I further understand that the sport of football and cheer involves inherent risks of personal injury to all participants. In consideration of permission being granted to my child by the association (Wareham Tigers Pop Warner Inc.) to participate in those activities, I release the association, its coaches, volunteers and/or employees from, and agree to hold the association harmless from any claims and or damages my child may incur as a result of the use of non issued equipment.

By signing this release and indemnification I understand that I am assuming all responsibility which applies to the use of any and all non issued equipment that my child may use that may lead to his or her personal injury.
